

Hope

O God, whose blessed Son came into the world that he might destroy the works of the devil and make us children of God and heirs of eternal life: Grant that, having this hope, we may purify ourselves as he is pure; that, when he comes again with power and great glory, we may be made like him in his eternal and glorious kingdom; where he lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Look

We use words every day without necessarily thinking about them, which can often trivialize their meanings. Some words, however, transcend a simple definition. In our Christian tradition, many words go from simple to prismatic. Slowing down to understand the broader and deeper meaning of some of these words can help bring additional wisdom to our every day lives.

1. Describe something that you got lucky with recently. How did it come about? Were you expecting it?
2. When you are hopeful for a positive outcome to a situation, what do you do?
3. How does Hope differ from just wanting to be lucky or being simply optimistic?
